Next Meeting

Phillipi – no information yet

ANNUAL MEETING – March 14, 2026 1:00 p.m. at Beverly Heritage Center, Beverly, WV, followed by Beverly Heritage Day planning meeting and Mystery Movie screening.

Upcoming Events

Important note about the official calendar below. After some discussion at a recent meeting, it is the opinion of the group that liability insurance is more likely to cover events sanctioned by the WVRA. It is our opinion that to be sanctioned the event should at the minimum be listed on this calendar. Addendum, January 2022. I discussed this issue with the insurance expert of the USV and he agrees that this is a gray area. There is some question whether the liability insurance would cover WVRA members only at sanctioned WVRA events or all events. He further agreed that publishing events in the newsletter may help to make them “official.”

WVRA EXECUTIVE BOARD MEETING - MINUTES

(revised)

WVRA Executive Board Minutes

January 24, 2026 – by zoom

John Arnold, Vice-president, called the meeting to order at 1:06 pm. Also attending by zoom were WVRA Executive Board members Phyllis Baxter, Chuck Critchfield, Mary Mullenax

Past minutes and treasurers reports (Dec and year end) have been published in newsletters – cash balance \$890.80 at end of the year

Motion by Chuck, seconded Mary, to authorize payment for hosting of website at reasonable available rate, if not donated. All in favor.

Nominate officers / board for 2026 (election to be held at March members meeting)

Rick Byrd will do president if health allows

John Arnold will continue as vice-president

Phyllis Baxter will continue as secretary

Chuck Critchfield will continue as treasurer and newsletter editor

Mary Mullenax is willing to continue as board member at large. We will follow up with Tim Glaser (current board and webmaster), and Bill Brisendine, board member, to see if they wish to continue for new year.

Bylaws allow for up to 5 at large board members, which leaves 2 slots if all the current ones renew. Officers will talk to former members to see who might get reengaged.

Disposition of equipment from Kevin Scaggs

Currently stored by Chuck, tent is outside under tarp. Skaggs family wishes that someone reenacting could get use out of them. Some of his former colleagues from other units might be interested.

Could be used by WVRA for events, displays, etc. Could be used at BHC occasionally – would BHC want it and be able to store it?

Items include large tent, ammo boxes, camp chairs, etc. Proposal to see if BHC can store / use / manage tents and larger items to use for

events. Discussed setting up memorial display to go with it when setup at event, donations? Provisionally move / store to BHC (if agreed) probably March meeting, set up at BHD. Photograph items for record. Teach tent setup at BHD. Decide then about further disposition.

Chuck has the two flags that Kevin had, and will keep them for WVRA.

Mike Phillips interested in one of great coats, willing to lend to him.

Not sure who may have other equipment that used to belong to WVRA, including one Springfield.

Could we re-establish lending closet policy?

Possibly in partnership with BHC lending closet.

Proposal for event sponsorship -- Chuck moved Mary second to place hosting / sponsorship of Beverly Heritage Day, July 18, 2026, on the ballot for membership vote at annual meeting, passed unanimously.

March members meeting to be held at Beverly Heritage Center, with an in-person meeting. Preferred date March 14, 1 pm, with March 21 (**amended to March 28**) backup as snow date Phyllis moved, Mary second, approved. Phyllis will confirm with BHC.

Discussed if we want to try to offer hybrid or call in for the business meeting? It is more complicated technically. Will see if there is request for it and try to set up if needed.

Agenda for that meeting:

Members meeting, election, sponsorship votes, other business

Feedback for BHD planning – discussion with BHC staff – agenda item

Viewing of Bob Campbell's mystery reenactment film (about an hour to watch it all)

Chuck may request unit money of \$75 for 1st WV in order to join USV for insurance.

Discussion and announcements:

John has been active and made some new connections especially with Valley Division. He is interested in Civil War dancing, and wants to check into Gettysburg dance organization (they were at Cedar Creek) if they might come to one of our events. John will reach out to find out if they might be interested. Also discussed possibility of future reenactment back at battlefield. John suggested idea of a possible drawing / raffle or something for winning a gift, for door prize for participation at Beverly Heritage Day.

Phyllis shared about July 11, 2026 anniversary event being planned at Battlefield.

Chuck shared photo from a past Rich Mountain Battlefield memorial march

Adjourned on motion by Phyllis, second Mary at 2:28 pm.

Please sent any corrections or additions to Phyllis Baxter.

Old Footage of the WVRA?? Mystery Movie Scheduled for Screening

Bob Campbell, an Elkins-based professional photographer / videographer, has an old B&W 16mm film (and projector to show it on) of CW reenactor footage. He salvaged it and is not sure of where it came from, but presumably shot in West Virginia. It seems to be "B roll" footage, possibly shot for WV Public Broadcasting, or perhaps by a contractor for them?

The whole thing runs over an hour. He thought it might be of interest to reenactors to see it -- and possibly someone can see clues to help identify dates and/or locations where it was shot.

Bob has offered to set up his projector at Beverly Heritage Center to show this for WVRA following our annual members meeting March 14.

- Phyllis Baxter

Update from Our Secretary

I spoke with Eleanor today. She agreed to our plan to store Kevin's stuff at BHC for now, then use it for event display at Beverly Heritage Day, and discuss then a long-term plan.

Let's confirm date for spring meeting as March 14, at Beverly Heritage Center. Start at 1 pm, business meeting and Beverly Heritage Day planning (say allow an hour and a half for that? let me know if you think that will be shorter, or longer). Then I'll have Bob Campbell bring the old film to show us, say about 2:30 or so? Does that timing work?

But let's move the snow date to March 28 instead of March 21. I think this will be the only change to the minutes when Chuck publishes for the membership. Tim - let me know if you want to try to participate remotely. If only one person, we may be able to do that from a phone or laptop.

Kevin Skaggs Reenacting Gear

On November 22, I met Kevin's son Christopher at Kevin's storage pod in Charleston to pick up some of Kevin's reenacting equipment. Christopher and the remainder of Kevin's family have donated the equipment to the WVRA. Christopher said that the family wanted the gear to go to somebody or some organization that could use it.

The WVRA will have to determine what is to be done with the donation at the December meeting. I told Christopher that we appreciated the donation very much that it would either be used by the WVRA or if unwanted sold and the funds returned to the WVRA treasury for use by the organization.

Most of Kevin's personal gear has been retained by the family. So, what was in the storage pod was primarily his camp equipment.

- 1 – National flag and iron holder with 1st West Virginia painted on flag
- 1 – Canteen, needs cork
- 1 – Canteen cover and strap
- 3 – US army blankets, gray

NOTE ABOUT TENTS – As of Jan. 7, I have only done a quick visual inspection when I received the tents on Nov. 22, 2025. I cannot state with certainty that all the hardware, ropes, stakes and poles for the officers tent and fly were transferred to me. To the best of my knowledge, no hardware specific to the A tent was transferred. The dog tent has no hardware to my knowledge. A handful of Asian Stink Bug carcasses were found in the folds of these tents. As a result, I did not bring the tents into our house. They are currently wrapped in a tarp and stored outside. Kevin kept these tents in an unheated storage pod.

I have in my possession the 1st West Virginia regimental flag and iron holder which is and always has been the property of the WVRA. Kevin was the keeper of that flag. When I got it from Kevin's estate in February, it was slightly damaged by being rolled up for so long.

If the WVRA is not interested in retaining these items, I will make them available to other reenacting units.

EVENT REVIEWS

I invite any member to review any event or program related to history.

YOUR EDITOR in his role as a member of the **MASON-DIXON CIVIL WAR ROUNDTABLE** of Morgantown, joined fellow member **John Fredrick** in making a presentation to the attentive fifth grade students at Fairview Middle School.

Civil War Roundtables

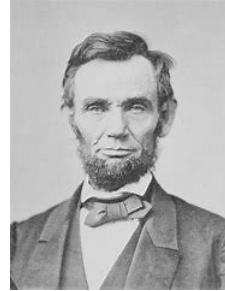

Last month the Mason-Dixon Roundtable in Morgantown heard Eric Saul, the former Director of the Presidio Army Museum in San Francisco. Mr. Saul, in his own conversational style, presented a program about the Civil War in San Francisco.

At the Stonewall Jackson Roundtable in Nutter Fort, retired Lt. Colonel Pete Taylor talked about military intelligence in the Civil War.

Both presentations were interesting and both presenters did a good job.

They Said It (or didn't)

Quotes, misquotes and fabrications attributed to the famous, nearly famous, not famous and infamous.

"Don't believe everything you read on the Internet just because there's a photo with, a quote next to it."

- Abraham Lincoln, February 30, 1866
Google shareholders meeting

"At the bottom the coming change simply meant that the infinite ferment of the industrial revolution was about to work its way with a tremendously energetic and restless people who had a virgin continent to exploit. One difficulty was that two very different societies had developed in American, one in the North and the other in the South, which would adjust themselves to the industrial age in very different ways. Another difficulty was that the difference between these two societies were most infernally complicated by the existence in the South of the institution of chattel slavery. Without slavery, the problems between the sections could probably have been worked out by the ordinary give-and-take of politics; with slavery, they became insoluble."
